

Land Before Lines

The land was here before the line.

A 345,000-volt line is planned across southern Kansas, northeast Oklahoma, and the Missouri Ozarks.

It may miss your land. The costs will hit your bill.

Next dates

October 12, 2026. Missouri. Last day to formally join the giant-customer price case.

November 9 and 13, 2026. Oklahoma West comments and hearing.

November 19, 2026. Kansas hearing in Sedan. Comments through December 2.

What to do: open your state map, mark the date, and send a short note.
